

All -Terrain Forklift Operator

Job Overview:

As an experienced **All-Terrain Forklift Operator**, you will be responsible for operating rough-terrain forklifts (telehandlers) to move, load, and stage heavy materials in outdoor environments with uneven ground. This position plays a key role in ensuring materials are delivered to the correct locations safely and on time while maintaining compliance with all safety standards.

Responsibilities:

- Operate all-terrain forklifts to transport and position materials such as steel pipe, ductwork, and other consumables for goods associated with mechanical systems.
 - Conduct pre- and post-shift equipment inspections; report maintenance needs promptly.
 - Follow OSHA and company safety policies at all times.
 - Coordinate with foremen and site teams to ensure timely material delivery.
 - Secure loads properly and ensure compliance with load capacity requirements.
 - Support general site duties when equipment operation is not required.
 - May operate other company provided vehicles from time to time.
-

Qualifications/Requirements:

- Current forklift certification (rough terrain/telehandler endorsement required).
- 2–3 years of forklift operation experience in construction or industrial settings.
- Strong knowledge of safety practices, load limits, and site logistics.
- Ability to work outdoors in various weather conditions.
- Regular and punctual attendance.
- Complies and promotes company Safety Policy.
- A clean driving record is a must.
- OSHA 10 or other relevant safety certification is preferred.
- High school diploma or GED (preferred),

Work environment is field based. Requires walking, standing, and ability to squat, bend, climb, stoop and comfortably lift 50 lbs. and climb in/out of forklift cab frequently. May require travel between project sites.

Additional Requirement: Ability to pass a full background screening that includes a criminal background, drug test, driving record, and physical ability test.

Join our team and contribute to the success of our innovative and high impact projects. We offer competitive compensation/benefits package, career growth/advancement, and a supportive work environment with a collaborative innovative team. Apply today to be part of our dynamic team!
