

## Plumber Apprentice

### Job Overview:

As a plumbing apprentice, you will support commercial construction projects by installing plumbing systems according to your position's capabilities and parameters.

---

### Responsibilities:

- Assist with commercial plumbing installation from underground/rough-ins, stack out to trim outs on large scale commercial and industrial construction projects such as, healthcare, government, educational, manufacturing, data centers and others.
  - Install hangers and supports for pipes, equipment, and fixtures prior to installation for water, gas, compressed air, medical gas, or other liquids.
  - Regular use of basic hand/power tools
  - Assist with the installation of materials such as copper, steel, cast iron, PVC, CPVC, PEX, and other piping.
  - Regular use of hand/power tools.
  - Perform other related duties or special projects, as assigned.
- 

### Qualifications/Requirements:

- 1+ years of commercial plumbing experience strongly preferred
- Knowledge and exposure to basic plumbing principles required.
- Previous experience working in plumbing trade preferred.
- Requires basic mechanical aptitude, mathematical and English language skills.
- Regular and punctual attendance. Ability to work overtime if needed (and approved).
- Knowledge of basic hand/power tools and ability to read a tape measure.

### Preferred Qualifications:

- OSHA 10 or other relevant safety certification is preferred.
- Apprentice license (Plumbing Board) must be obtained within 4 weeks of hire.

### Additional Requirements:

- Analytical and problem-solving skills
- Willingness to learn to read blueprints and shop drawings.
- Basic mechanical aptitude, mathematical and English language skills.
- Complies and promotes company Safety Policy.
- Ability to work off ladders, man lifts and other equipment from various heights.

Work environment is field based working outdoors. Requires walking, standing, climbing ladders, and working in varying temperatures. Ability to squat, bend, climb, stoop and comfortably lift 75 lbs. May require travel between project sites.

Additional Requirement: Ability to pass a full background screening that includes criminal background, drug test, and physical ability test.
