

## Safety Coordinator

### Job Overview:

As an experienced Site Safety Coordinator, you will oversee all safety related aspects of field/construction job site operations. This position plays a key role in ensuring compliance with all safety standards.

---

### Responsibilities:

- Oversee and manage all aspects of site safety operations and coordination
  - Ensure compliance with all safety regulations and protocols
  - Coordinate with contractors, subcontractors, and vendors to ensure timely completion of projects
  - Provide Construction Health and Safety technical and compliance expertise to personnel at all levels, informing and advising Management on H&S performance, compliance status, issues and potential risks.
  - Ensure projects comply with all applicable health and safety regulations
  - Interface with Gc's, subcontractors and contract H&S personnel to maintain alignment on H&S matters.
  - Conduct or oversee periodic reviews and audits of H&S compliance and track corrective actions.
  - Assist in setting up and managing any necessary insurance claims to include vehicle, general liability, worker injury (CIP), property damage or other applicable policies.
- 

### Qualifications/Requirements:

- 3 years of safety experience in a commercial construction setting
- Proven experience in site coordination or construction management
- Strong knowledge of compliance management and safety regulations
- Proficiency in construction management software (e.g., Procore, PlanGrid)
- Excellent organizational and time management skills
- Strong communication and interpersonal skills
- Ability to work effectively in a fast-paced environment
- Attention to detail and problem-solving abilities
- OSHA30 or other relevant safety certification is preferred
- Bi-lingual (Spanish) is preferred.

### Additional Requirements:

Ability to pass a full background screening that includes a criminal background, drug test, physical ability test, and driving record.

Work environment is field based. May require travel between assigned project sites.
